Howrah Municipal Corporation uses mechanization for the collection and transportation of MSW at Howrah.

A Howrah Municipal Corporation Employee fixes a chain on to a fully loaded skip.

The compactor picks up the skip and loads the MSW into its hopper.

The compactor then places the empty skip back in its location.

Kam-Avida Enviro Engg Pvt Ltd congratulates the Howrah Municipal Corporation for upholding the SWM 2000 Rules by mechanizing the collection and transportation of Municipal Solid Waste in the city of Howrah.
